

THURSDAY AGENDA

OCT 24, 2024 | EASTERN TIME (US)

7:00 PM SPONSOR PRODUCT THEATER EDGEWISE THERAPEUTICS (60 Min)

WAYFINDING:

All

Industry & Sponsor Product Theaters
Will Be Hosted In The
Seaport Ballroom
(Mezzanine Level / Level 2)

All

Main Summit Program CME Content
Will Be Hosted In The
Plaza Ballroom
(Plaza Level / Level 3)

All

Nighttime Receptions
Will Be Hosted In The
Lighthouse Ballroom
(Plaza Level / Level 3)

FRIDAY AGENDA

OCT 25, 2024 | EASTERN TIME (US)

7:00 AM EXHIBITS & BREAKFAST Registration & Networking

7:15 AM SPONSOR PRODUCT THEATER BIOMARIN PHARMACEUTICAL INC. (60 Min)

INTRODUCTION & GENETICS

8:30 AM Martin S. Maron, MD & Steve R. Ommen, MD Welcome

8:35 AM Barry J. Maron, MD HCM At 65 Years: A Contemporary Treatable Disease. How Did This Happen?

8:55 AM Daniele Massera, MD, MSc How Common is HCM Really?

9:10 AM Jodie Ingles, MPH, PhD **The Max Saines Lecture:** Familial & Nonfamilial Inheritance: Is HCM Always Genetic?

9:35 AM Anjali T. Owens, MD Why Should I Get Genetic Testing on My HCM Patient?

9:55 AM BREAK

10:10 AM Michelle Michels, MD, PhD Gene (+) / Phenotype (-): Is There Anything to Do (Yet)?

10:30 AM Seema Mital, MD, FRCP Novel Views on HCM Screening from a Pediatric Perspective

10:50 AM Drs. Massera, Ingels, Owens, Michels, Mital
 Dr. Steve Ommen (Moderator) **Panel Discussion:** Prevalence, Genetics, Screening

IMAGING

11:15 AM Milind Desai, MD, MBA Cardiac Magnetic Resonance In HCM: LGE, ESV & What the HCMR Registry May Tell Us

11:35 AM Harry Rakowski, MD, FRCPC Integrating Echocardiography & Multimodality Imaging To Improve Contemporary HCM Care

12:00 PM LUNCH

12:05 PM SPONSOR PRODUCT THEATER BRISTOL MYERS SQUIBB (60 Min)

FRIDAY AGENDA

OCT 25, 2024 | EASTERN TIME (US)

1:10 PM	Konstantinos Siontis, MD	Improving Diagnosis & Beyond In HCM: Will Artificial Intelligence Be the Answer?
1:30 PM	Drs. Rakowski, Siontis, Desai Dr. Martin Maron (Moderator)	Panel Discussion: Modern Imaging & Management of HCM
1:55 PM	BREAK	
PREVENTION OF SUDDEN DEATH		
2:10 PM	Martin S. Maron, MD	Risk Stratification To Save Lives: Selection Of Patients for ICD
2:35 PM	Gabrielle Norrish, BMCh, PhD	Unique Challenges in Sudden Death Prevention in Young HCM Patients: Aren't Kids Just Small Adults?
3:00 PM	Danna A. Spears, MD	Selection of Devices to Prevent Sudden Death: Sub-Q v. Transvenous ICD?
3:20 PM	Drs. Maron, Norrish, Spears, Michels Dr. Barry Maron (Moderator)	Panel Discussion: Risk Stratification
3:45 PM	Barry Greenberg, MD Mat Maurer, MD Albree Tower-Rader, MD	Differential Diagnosis: Diseases That Look Like HCM But Are Not: Identification & Precision Medicine Strategies <ul style="list-style-type: none"> - Danon Disease (Greenberg) - Cardiac Amyloidosis (Maurer) - Fabry Disease (Tower-Rader)
4:45 PM	ADJOURN	
5:00 PM	SPONSOR PRODUCT THEATER SANOFI (60 Min)	
6:30 PM	RECEPTION	Cocktails/Hors d'oeuvres for Registrants & Faculty Join us in the Lighthouse Ballroom for networking alongside fellow attendees, set against the backdrop of Boston Harbor. Sponsored by Cytokinetics

SATURDAY AGENDA

OCT 26, 2024 | EASTERN TIME (US)

7:00 AM EXHIBITS & BREAKFAST Networking

7:15 AM SPONSOR PRODUCT THEATER ZIO BY IRHYTHM (60 Min)

HEART FAILURE IN OBSTRUCTIVE HCM

8:30 AM Steve R. Ommen, MD Obstructive HCM: Recognition, Mechanism, Natural History

8:55 AM Mark V. Sherrid, MD Traditional Medical Therapies with Beta-Blocker/Calcium Channel Blockers (and Don't Forget about Disopyramide)

9:15 AM Fady I. Malik, MD, PhD From Bench to Bedside: The Incredible Story Behind the Development of Myosin Inhibitors

9:35 AM BREAK

9:50 AM Iacopo Olivotto, MD First Generation Cardiac Myosin Inhibitor: What Have We Learned & Where Are We Going?

10:15 AM Martin S. Maron, MD Next Generation Myosin Inhibitor: What Can We Expect?

10:40 AM Andrew Wang, MD What Is the Evidence for Cardiac Remodeling with Myosin Inhibitors...And Is It Different Than with Septal Reduction Therapies?

11:00 AM Theodore Abraham, MD Integrating Myosin Inhibitors into Busy Cardiovascular Practices: Practical Insights

10:50 AM Drs. Sherrid, Olivotto, Maron, Wang, Abraham
 Dr. Steve Ommen (Moderator) **Panel Discussion:**
 Deeper Dive into Novel Drug Therapy

11:40 AM LUNCH

11:45 AM SPONSOR PRODUCT THEATER CYTOKINETICS (60 Min)

SATURDAY AGENDA

OCT 26, 2024 | EASTERN TIME (US)

12:50 PM	Joseph Dearani, MD	The Doug Wigle Lecture: Surgical Septal Myectomy: The Gold Standard. Should We Be Operating Earlier?
1:15 PM	Prem Shekar, MD	Operating on Obstructive HCM with Mild Septal Hypertrophy: Expanding the Myectomy Spectrum
1:35 PM	Eduard Quintana, MD, PhD	How Do We Develop More Great Myectomy Surgeons?
1:55 PM	Rick A. Nishimura, MD	Alcohol Septal Ablation: 30 Years Later
2:15 PM	Carey Kimmelstiel, MD	Future of Catheter-Based Therapies for Obstructive HCM
2:35 PM	Steve R. Ommen, MD	Contemporary Management of Obstructive HCM: Putting It All Together in the Era of Novel Drug Therapies
3:05 PM	BREAK	
HEART FAILURE IN NON-OBSTRUCTIVE HCM		
3:20 PM	Ethan J. Rowin, MD	Non-Obstructive HCM: Recognition, Mechanism, Natural History & Mortality
3:45 PM	Michelle Kittleson, MD, PhD	Current Management of End-Stage Heart Failure with or without Systolic Dysfunction: Drugs, Devices & Who Should Be Listed for Heart Transplant?
4:10 PM	Ahmad Masri, MD, MS	Is More Help on The Way? Future Medical Therapies for Nonobstructive HCM
4:35 PM	Ethan J. Rowin, MD	Atrial Fibrillation: Unique Perspectives on Management
4:55 PM	ADJOURN	
5:15 PM	SPONSOR PRODUCT THEATER VIZ.AI (60 Min)	
6:30 PM	Lisa Salberg & The HCMA	Reception: HCMA Patient Perspective & Voice Join us in the Lighthouse Ballroom for special programming from the HCMA alongside fellow attendees. Cocktails and light dinner will be provided.

SUNDAY AGENDA

OCT 27, 2024 | EASTERN TIME (US)

7:00 AM EXHIBITS & BREAKFAST Networking

7:00 AM SPONSOR PRODUCT THEATER TENAYA THERAPEUTICS (60 Min)

ELEVATING HCM CARE

8:15 AM Melissa S. Burroughs, MD, MS Different Outcomes by Race?:
 Improving HCM Care for Minorities

8:30 AM Deatrah DuBose, ACNP, BC Delivering Optimal Care in HCM:
 The Role of Advanced Practitioners

THE FUTURE OF CLINICAL TRIAL IN HCM

8:40 AM James Udelson, MD The Enormous Challenge Of End Points:
 Will New HCM Therapies Live or Die by This Issue?

8:55 AM Rosalyn Adigun, MD How Exactly Are Drugs Approved?
 Drug Approval In Rare Diseases: The View of the FDA

9:15 AM Drs. Burroughs, Udelson,
 Adigun; Ms. Salberg
 Dr. Steve Ommen (Moderator) **Panel Discussion:**
 HCM Clinical Trial Design

EXERCISE IN HCM

9:30 AM Rachel Lampert, MD Exercise In HCM: What Should We Be Telling Patients?

9:45 AM Matthew W. Martinez, MD Exercise in HCM: Why Don't We Just Let Them All Play?

10:00 AM Barry J. Maron, MD Decision-Making For Sports Eligibility in HCM:
 Efforts To Keep the Patients & Athletic Field Safe

10:15 AM **BREAK**

SUNDAY AGENDA

OCT 27, 2024 | EASTERN TIME (US)

GLOBAL EXPERIENCE OF HCM

10:30 AM	Kostiantyn Rudenko, MD, PhD	Myectomy in a War Zone: The Ukrainian Surgical Experience
10:45 AM	Shuiyun Wang, MD	China: Global Expanse of HCM & Myectomy
11:00 AM	Berglind Adalsteinsdottir, MD, PhD	Decoding 500 Years of HCM: What Iceland Has Taught Us & What More We May Learn
11:15 AM	Hisham Ahamed, MD, DM	India: Trials & Tribulations of Growing an HCM Center In the World's Most Populous Country
